**Exhibition concept:**

**In 2016 the exhibition takes place for the 5th time.**

To this occasion we would like to present works of all participants at the front wall of the big hall. At this communal wall we want to present many small works (pictures, sculptures) in the manner of „Petersburger Hangung“ (opulently covered wall with small works)! In this manner we want to demonstrate our community.

**Each artist delivers for communal wall**

- **6 - 10 small works** from "mini" at most 60x70 in different formats.  
For small sculptures deliver a pedestal, that can be screwed onto the wall.

*These works shall be a sales appeal. Every artist should think to himself about his prize creation.*

**Each artist delivers for the exhibition**

- **up to 8 works**

While installing the exhibition, the curators decide, which works will be exhibited.

- **All works, which shall be hanged, need a hanger.**
- **To all unframed paper works supply graphic-clips.**
- **Nailing and boring are not possible!**
  
- Sculptures and objects deliver with **your own pedestals (clean and painted white)!**

**Installing the exhibition:**  
**14.-18.03.2016**

We need your help for installing the exhibition, cleaning the rooms.  
We depend on your active support by placing **the posters** between Ribe and Aabenraa.

**ARTcommunityAfternoon: 19.03.2016**

**We need your help in the kitchen (12:00), during the afternoon and for the final cleaning.**
